

Senior citizens age 65 or older who are Vidor Residents (inside city limits) and wish to file for a \$3 per month (before taxes) rate reduction on their Vidor sanitation bill are eligible to do so at Vidor City Hall. In order to qualify for the exemption, customers who live inside the city limits must complete forms provided by the city and provide proof of age. The exemption is good for a three year period and must be renewed every three years. Failure to renew or sign up for the senior exemption will result in the customer paying the full \$17.00 monthly charge. If the customer loses their eligibility, the option to renew at any time is still available with the above requirements. The rate exemption would then be effective the following month. The next renewal is during December 2015.
