An asbestos survey has been conducted in accordance with the Texas Asbestos Health Protection Rules (TAHPR) and the National Emission Standards for Hazardous Air Pollutants (NESHAP) for the areas being renovated and/or demolished.

Yes _____ *No _____ Not applicable for residential or new commercial _____

*If the answer is No, then as the owner/operator of the renovation/demolition site, I understand that it is my responsibility To have the asbestos survey conducted in accordance with Texas Asbestos Health Protection Rules (TAHPR) and the National Emission Standard for Hazardous Air Pollutants (NESHAP) prior to a renovation/demolition permit being issued by the City of Vidor.

INT _____

This permit is subject to any easements of record and in no way supersedes any such restrictions. It is the property owner's responsibility to determine if there are any easements and/or restrictions on the use of his or her property. Approval of a building permit does not ensure that the proposed work does not violate an easement unless expressly noted on the permit.

CERIFICATION:

I certify that all statements made herein or elsewhere in connection with this permit are true and correct. I also understand that any person who knowingly or willfully falsifies a permit application or received a permit through willful omission or deception is guilty of a crime and may be subject to fines.
